The special of E. W. McKenna for the makes of the Chicago. Back Islands of Company was made just the special of the chicago. Back Islands of the c

tenance programme from January to July, which would result in a saving of at least \$500,000 a year.

Mr. McKenna advocates the construction of the short line from Chicago to Kansas City by way of Peoria. This should have a most potent effect in reducing transportation expenses, he says, and should reduce the ratio of transportation expenses to gross earnings to between \$5 and 37 per cent. He continues:

"There is little doubt that this improvement would place the whole property in a condition of increased efficiency."

GLYNN ACTS FOR LAND BANK.

First Step Is to Get Loan Associations to Become Members.

The following decisions were handed down yesterday by the Appellate Division, First Department:

Emily Puliman, &c., as administratrix, &c., resentatives of the savings and loan asso-

ciations to-day.

At a conference held in the Banking Department a committee on organization was named and the State Superletendeat of Banks was asked to canvass the savings and loan associations to ascertain how many elected to become members in the proposed cooperative association which would make possible the organization of a

land bank.
The tentative plan agreed upon to-day The tentative plan agreed upon to-day is that as soon as an agreement is signed by ten or more savings and loan associations having aggregate resources of \$5,000,000 the project will be carried out. The proposed bank will have a capital of \$100,000, to be raised by the issuance of shares with a value of \$1,000 each. The central office of the proposed bank will be in New York city.
